

WELCOME TO MOOSOMIN!

New Business Guide

WELCOME

On behalf of the Town of Moosomin, I am pleased to welcome you to our thriving and growing community. We are proud to support a diverse range of businesses that contribute to our local economy, create jobs, and enhance the quality of life in our region.

Whether you're launching a new venture or expanding into our area, Moosomin is a place where opportunity and community come together. Our strategic location on the Trans-Canada Highway, strong regional population base, and collaborative business environment make this an ideal place to grow your business.

We are here to help you succeed. I encourage you to connect with our Economic Development Office and take full advantage of the supports available.

We look forward to watching your business grow and to working with you as a valued part of our community.

Warm regards,
Murray Gray
Mayor, Town of Moosomin

START-UP ESSENTIALS

01 Business Licenses

In Moosomin, business licenses are only required for businesses **not operating from commercially taxed properties**.

If your business is located in a commercially taxed building, no business license is needed.

For businesses operating from residential or other non-commercial properties, a business license is required to operate legally within town limits.

For full details or to apply for a license, please visit www.moosomin.com/business-license-fees

02 Garbage and Recycling

Garbage and Recycling is the business owners' responsibility to arrange.

Contact Loraas Disposal at (306) 435-5555 or Rotave Sanitation at (306) 435-3982 to arrange.

03 Property Taxes

Contact the Town Office at (306) 435-2988 for details on commercial property taxes.

04 Zoning and Permits

Before starting construction or renovations, it's important to ensure your project complies with local zoning regulations. You can confirm the zoning of a property by contacting the Town Office at (306) 435-2988.

- Development Permits are required when you are **changing the use of a building**.
- Building Permits are required for any **new construction** or **structural changes** to an existing building.

To avoid delays or compliance issues, check with the Town of Moosomin early in your planning process.
